Gauge conversion and rail electrification in U.P.

2900. SHRI DARA SINGH CHAUHAN: Will the Minister of RAILWAYS be pleased to state:

(a) the details of projects pertaining to gauge conversion, track renewals and electrification in progress in Uttar Pradesh;

(b) whether any targets have been fixed in this regards;

(c) if so, the details thereof, project-wise; and

(d) by when the above projects are likely to be completed?

THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI O. RAJAGOPAL): (a) to (d) The details of ongoing Gauge Conversion and Railway Electrification Projcds falling partly/fully in the State of U.P. alongwith targets wherever fixed are given in the Statement *(See* below). As regards track renewals, works are sanctioned and monitored Zone-wise and not State-wise. Track renewals is a continuing process. Renewals are sanctioned on the basis of track condition and carried out on programmed basis depending upon availability of funds. Uttar Pradesh is served by Central, Eastern, Northern and North-Eastern Railways.
